## Love, Learning, & Laughter

We should be finishing up our student evaluations during the second week in February. Students are working hard to memorize their zoophonics and master their writing skills, whether they are writing their name or other letters. Our teachers continue to foster their abilities in a nurturing environment and teach them about the Bible.

We had several parents do a presentation on their culture or a country they visited. Thank you so much to Rachel Dedek, Jaclyn Peterson and Kylie Fager.

UKO visited our preschool on January 26th and 27th. Sensei Grout introduced karate to the students. He also gave each student a dvd and invited them to join his classes when they turn 4 or older.

Valentines Day parties are scheduled on Feb. 11th for the 3's class and Feb. 12th for the Pre-K. The teachers will be putting a class list in your child's bucket if you wish to bring in Valentines Day treats. We also have our Albertson's field trip coming up. More information will coming as the date gets closer.

If you have any questions please don't hesitate to contact Terri!

This would be a good place to insert a short paragraph about your organization. It might include the purpose of the organization, its mission, founding date, and a brief history. You could also include a brief list of the types of products, services, or programs your organization offers, the geographic area covered (for example, western U.S. or European markets), and a profile of the types of customers or members served.

It would also be useful to include a contact name for readers who want more information about the organization.

## Back Page Story Headline

This story can fit 175-225 words.

If your newsletter is folded and mailed, this story will appear on the back. So, it's a good idea to make it easy to read at a glance.

A question and answer session is a good way to quickly capture the attention of readers. You can either compile questions that you've received since the last edition or you can summarize some generic questions that are frequently asked about your organization.

A listing of names and titles of managers in your organization is a good way to give your newsletter a per-

sonal touch. If your organization is small, you may want to list the names of all employees.

If you have any prices of standard products or services, you can include a listing of those here. You may want to refer your readers to any other forms

of communication that you've created for your organization.

You can also use this space to remind readers to mark their calendars for a regular event, such as a breakfast meeting for vendors every third Tuesday of the month, or a biannual charity auction.

If space is available, this is a good place to insert a clip art image or some other graphic.
