

Adventureland Christian Preschool

October 2009

We are off to a great start. Our teachers and students are getting to know each other and establish some rules and routines. We are so proud of our students and their ability to adjust to a brand new environment. It is a big step for them to be able to walk through their classroom doors and say goodbye to their parents.

We have some great class activities in the month of October. The fire department will be visiting our classrooms and talking about fire safety. Our harvest parties are scheduled for the end of the month. Student's will be able to dress up in non-scary costumes, play some games and receive treats from the church staff. More information will be coming home in the next few weeks.

School pictures have arrived. Please make sure you turn in all picture orders and proof sheets by October 9th. We will not be able to send in late orders.

Evaluations

Evaluations will be sent out in the next few weeks. This is just the beginning of the year so please do not get alarmed if they do not know all their alphabets or shapes. Evaluations are meant to help us figure out where your child is at and what we need to do to help your child progress. No two children are alike when it comes to learning. Every child works at a different pace and if we notice that your child is struggling we will try our best to introduce concepts in different ways. Please take the time to look over your child's evaluations and please call Terri if you have any questions @876-0061
